

*This Mother's Day,  
what's better than flowers  
and chocolate?*

## **Paid parental leave.**

Every day, we ask our mothers to do more than their fair share.

Now let's give them the respect they deserve and the time they need to stay healthy, bond with their children and be successful at home and in the workplace.

**Join NTEU in standing behind the mothers who are also dedicated federal employees.**

Visit [NTEU.org](https://www.nteu.org) to support  
paid parental leave.
